Western Oregon Telephone & Telegraph Company

GEORGE A. BAUMAN, Manager.

MAY 1926

GENERAL INFORMATION

For the Guidance of Telephone Users.

THIS DIRECTORY is issued gratuitously by the Telephone Company to its subscribers for their exclusive use and convenience, and not as a contract between the company and any subscriber. The Company assumes no liability whatever because of errors or omissions in this directory.

GOOD SERVICE depends largely upon the measure of cooperation afforded the Telephone Company by its Patrons.

WE EXPECT and appreciate prompt reports of SPECIFIC cases of Trouble.

ALL MESSAGES received or forwarded by this company are at sender's risk.

WHEN NECESSARY for operators to repeat messages, owing to difficult transmission, the operator will act as agent of the sender, and the Company assumes no liability for error or misunderstanding.

THIS COMPANY reserves the right at all times, to make such changes in numbers and equipment as it may find necessary for the proper conduct of its business.

ORDERS FOR Installations, Moves and Changes should be made at the Company's office several days in advance of your requirements. It is not always possible to have a man "On the Job" at a moment's notice.

SERVICE CONNECTION CHARGES, are not to supersede mileage charges, or Installation and Construction charges made because of unusual cost, but are in addition to such charges. They are not Refundable, and are as follows:

Installing telephone, Individual or Party Line Service.....	\$2.50
Change of Name and Listing, to cover Directory, Switchboard and Circuit expense	1.00
Inside move, one room to another, same premises.....	2.00
Inside move, same room.....	1.00
Change in type of telephone set.....	1.00

The charge for moving any other equipment or wiring shall be the actual cost of labor and material.

Save Time—Call by Prefix and Number.

TOLL CHARGES: While our operators will try to protect subscribers by requiring an "O. K." on calls placed by non-subscribers, THIS CANNOT BE GUARANTEED, and all Toll Charges Must be Paid by The Patron at Whose Telephone The Calls Originate.

TOLL CALLS placed during the last three days of any month are not billed until the First of the second month following.

CLASSES OF TOLL CALLS are, "Station-to-Station" calls, and Person-to-Person" calls.

A "STATION-TO-STATION" call is one on which the calling party gives only the number of the telephone station desired, or the name or address under which the telephone is listed.

r following name designates residence

FOREST GROVE

A "STATION-TO-STATION" call when sent "Collect" takes the "Person-to-Person" Rate.

A "PERSON-TO-PERSON" call is one on which the calling party specifies a particular person to be reached at the called place. Under certain conditions a partial charge will be made where it is impossible to establish communication on a Person-to-Person call.

REPORT CHARGE: A Report Charge will be made on Person-to-Person calls, including Appointment Calls, and Messenger Calls, which cannot be completed for the following reasons:

1. When the called party is not available at the called station, or refuses to talk, or to accept the charge on a collect call, a report to this effect being given the calling telephone within one hour from the time the call is given to "Long Distance."
2. When the call is ready for completion, the calling party is not available or refuses to talk, or no answer can be obtained from the calling station, providing this report is obtained within one hour from the time the call is given to "Long Distance."
3. When an Appointment call has not been completed after the appointment has been definitely arranged with the called telephone.
4. When a Messenger call is not completed after arrangements have been made to notify the called party to come to the telephone.

The Report Charge is compensation for the operating work performed, and increases proportionately with the distance between the points involved.

When the operator asks, "Are you waiting" or "Are you through" and gets no response, the connection will be taken down.

EVENING AND NIGHT RATES: Evening and Night Rates at a substantial reduction from Day Rates after 8:30 P. M. and Midnight respectively, are applicable to STATION-TO-STATION Service ONLY.

The Minimum Evening and Night Rate is 25c.

Evening and Night Rates do not apply to PERSON-TO-PERSON calls, Appointment and Messenger Calls, nor to Collect Calls.

WHEN SO REQUESTED give the operator your name, and the number of the telephone station from which you are speaking, or any other pertinent information tending to expedite the completion of the call.

REMEMBER: While a non-subscriber is using your telephone, Your "Line is Busy" to some one who wants you.

ACCOUNTS: For information regarding accounts, Call Main 10.

ADVERTISING: Call Manager.

BILLING INFORMATION: City and Suburban subscribers are billed on the first of each month for the current rental, and for "Long Distance" charges to the 28th of the preceding month.

FARMER LINE subscribers are billed semi-annually on January 1st and July 1st, in advance for the Rental charge and in arrears for the "Long Distance" charges.

COLLECTIONS: All accounts rendered monthly are due and payable by the 15th of the current month.

Farmer Line accounts are due and payable during the first month of the Billing Period.

DELINQUENTS: Are subject to discontinuance of service without further notice.

Our Quality Is a Revelation To Those Unacquainted

For many years past J. C. Penney Company goods have been accepted by hundreds of thousands of people throughout the **United States** as the standard for comparison.

Our quality has been a revelation to some people who have been told or who have imagined that because our prices were low the grade of our goods was correspondingly low.

A single visit to our Store—wherever it may be located; in any of the 44 States in which we operate—will quickly dispel such thoughts and claims. It will establish in your mind beyond a shadow of doubt, that article for article and dollar for dollar more in genuinely reliable and standard quality can be had than is ordinarily obtainable.

Bear in mind that with the tremendous buying power for our hundreds of Stores goes a *selective* power that assures us the better grades of goods.
