GENERAL INFORMATION

TELEPHONE DIRECTORIES

This directory is the property of the West Coast Telephone Company and is issued without charge for the sole and exclusive use of our subscribers, who are requested to maintain it in its original condition, reasonable wear and tear excepted. The subscriber shall not conceal the outside of the directory by placing a cover thereon or by other means. Insertion of unauthorized advertising or other matter by rubber stamping pages or inserting advertising sheets is expressly forbidden.

If your directory becomes worn or mutilated, our Business Office will furnish you with a new one free of charge upon request. One directory for each telephone on your premises is furnished without charge.

DIRECTORY LISTINGS

For each subscriber, a listing is provided in the alphabetical section of the directory without additional charge. In Telephone Directories having classified business sections one additional business listing is also furnished without additional charge to each business subscriber under standard classified business headings. Subscribers may arrange for extra listings by applying at or calling the Business Office. Business subscribers may arrange for additional listings both in the main and in the classified sections of the directory. Additional listings under various classified headings in the classified section will be helpful in stimulating additional business.

ADDITIONAL DIRECTORY LISTINGS

Additional directory listings are available for a small extra monthly charge. Here are some of the directory listings which may be of service to you.

1. **ADDITIONAL RESIDENCE LISTINGS** — for other members of your household, especially those with different surnames.
2. **ADDITIONAL BUSINESS LISTINGS** — for the man who needs his own name in the directory, in addition to his firm's name.
3. **AFTER HOUR LISTINGS** — to give directions where to call after hours and on Sundays and holidays.
4. **EXTRA PAID CLASSIFIED LISTINGS** — where a business house has several lines of merchandise or service which it wishes to publicize. For example, a building material firm will want to be listed under building supplies, lumber, paint, sash and doors, hardware, etc.

LISTINGS NOT APPEARING IN THIS DIRECTORY

Between directory issues a great many telephones are installed. Customers may obtain telephone numbers not shown in this directory by calling "Information" where an up-to-date list of all subscribers is maintained.

After asking information for a number which has been changed since the current Directory was issued, write the new number into your Directory immediately for future reference. It will expedite your service.

RESPONSIBILITY FOR LISTINGS

The Company does not undertake to ascertain the right of any subscriber to use any title or business description in connection with his directory listing, and may reserve the right to change these listings at any time in accordance with any provisions that may be laid down by law concerning directory listings and similar privileges.

DIRECTORY ACCURACY

The Company does not assume liability because of errors or omissions in compiling this directory. Directory listings are carefully handled in order to insure directory accuracy, but in spite of this care and attention errors occasionally occur. If your listing is incorrect in any way please call the Business Office promptly so that our information records and future issues of the directory may be corrected. Also please promptly advise the Company of any other desired changes in your listing, such as a change of your house number or street, name, etc.

NUMBER CHANGES

Telephone equipment must at all times keep pace with the growth of the community in order to adequately meet the requirements of new and existing customs. To accomplish this, rearrangements must sometimes be made, which necessitate changing of telephone numbers.

The Telephone Company reserves the right to and may at its discretion, change either the subscriber's telephone number, the central office, or both, through which connections are made.

Your co-operation will be greatly appreciated whenever such rearrangements are necessary. If your telephone number appears on stationery, advertising material or on vehicles, care should be taken that it is correct at all times.

APPLICATION OF BUSINESS RATES

The use of telephone service for business purposes automatically subjects that service to business rates regardless of the type of premises on which the telephone is installed.

BILLING AND PAYMENT FOR SERVICE

Monthly bills for telephone rental are issued in advance and are payable in advance and are due upon presentation. Long distance charges for the month preceding are included on the current bill.

When paying in person at the business office it will save your time if you have your bill with you. When paying by check please enclose the bill stub with your check. If the stub has been mislaid, you can make certain that your account will be promptly credited by writing your telephone number on the check.

If you desire additional assistance or explanation regarding your bill, please call the business office.

For information regarding Bills Rendered, call local business office.

LONG DISTANCE

LONG DISTANCE — For FASTER Out-of-town telephone calls — People find these suggestions helpful.

1. Please place your call by number whenever possible — it will save you time.
2. If it is desired to know charges on the call, please notify the operator at the time the call is filed.
3. Please remain at the telephone until operator concludes the desired service.
4. If there is a delay and it becomes necessary to try again at a certain notified time, please try to be at or near the telephone at the time agreed.

"BEEP" TONE TELLS WHEN TELEPHONE CONVERSATION IS BEING RECORDED

A short high "beep" tone heard on the telephone line about every 15 seconds means that the person with whom you are talking is recording your conversation by means of his electrical recording machine connected to the telephone line.

This signal is provided by the telephone company for your protection. If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect the recording machine. When he disconnects the recorder the signal is no longer heard.

The "beep" is produced automatically by the device used to connect the recorder to the telephone line. It stops when the recorder is disconnected. Use of a recorder without this signal is unlawful.

RESPONSIBILITY FOR ADVERTISING

The Company is not liable for damages arising from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory. Its liability in the case of advertising shall not exceed the charge for such advertising during the life of this directory.

USE OF COINS IN COIN BOXES

It is unlawful to use tokens or any coins other than lawful coins of the U.S.A., in any telephone coin box.

ATTACHMENTS TO TELEPHONES

No equipment, wiring or device of any kind not furnished by the Company may be connected or attached to the facilities furnished by the Company, whether physically, by induction, or otherwise, except as provided in the tariff schedules or specifically authorized by the Company. In case any such unauthorized attachment or connection is made, the Company has the right to remove and disconnect the same, or to suspend the service during the continuance of said attachment or connection, or to terminate the service.

PARTY LINE COOPERATION

Also SCORES with everyone

If you want to make a hit with your telephone party line neighbors, just:

1. Use the line sharingly.
2. Space your calls reasonably.
3. Be sure to hang up the receiver.

This cooperation is team play that will help bring better service to everyone, including you. Why not help drive it home on your line?
