

DOORS & WINDOWS ARE EXITS

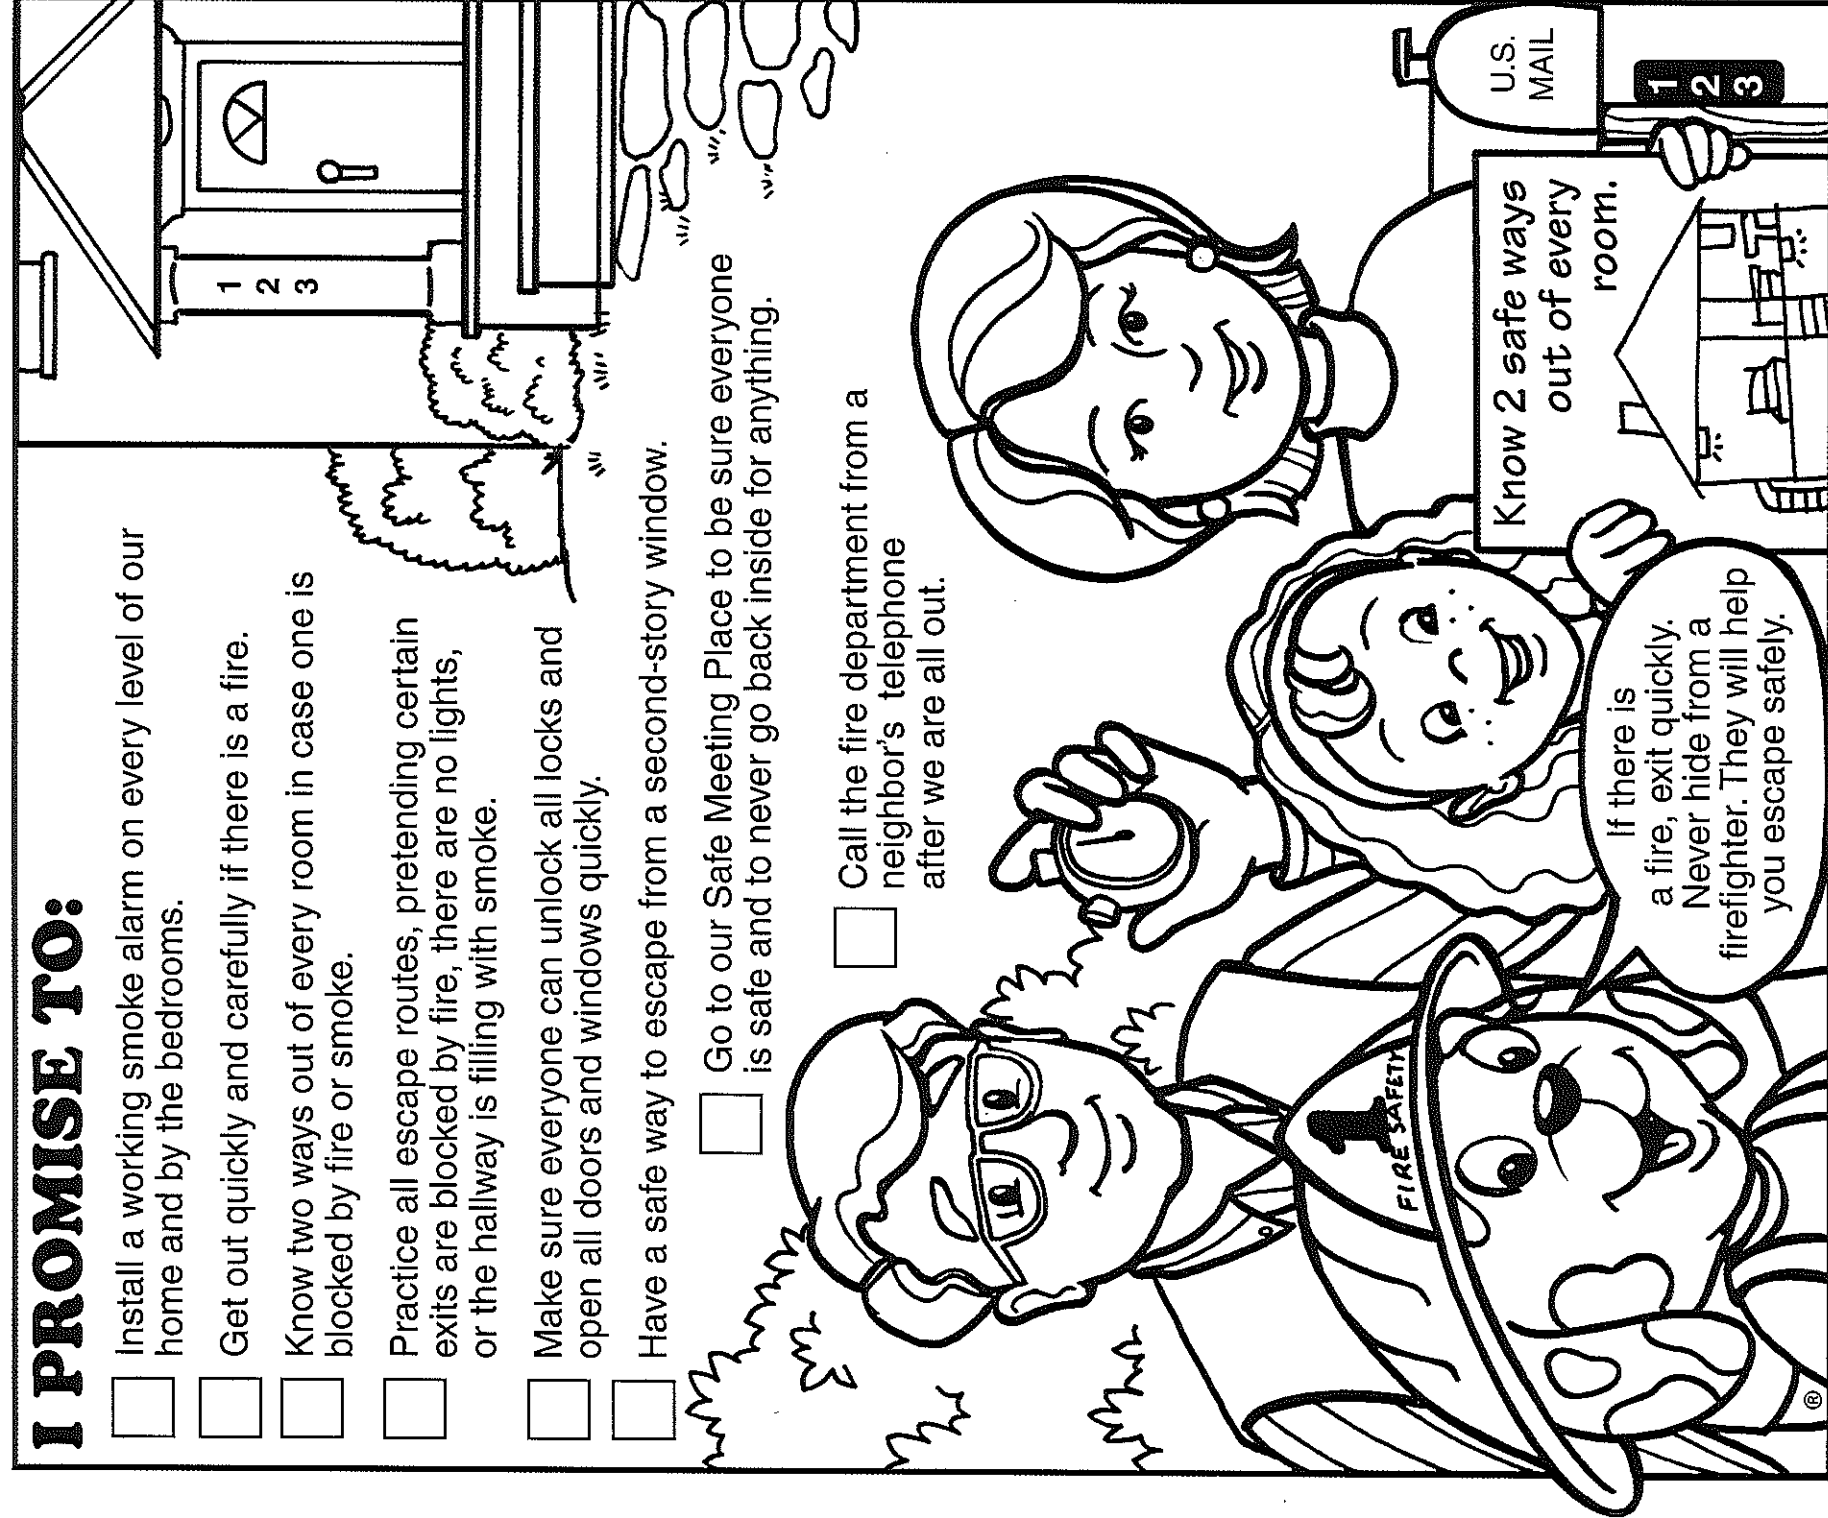

Make a
Home Fire Escape
Plan with your family
and practice
it often!

I PROMISE TO:

- ☐ Install a working smoke alarm on every level of our home and by the bedrooms.
- ☐ Get out quickly and carefully if there is a fire.
- ☐ Know two ways out of every room in case one is blocked by fire or smoke.
- ☐ Practice all escape routes, pretending certain exits are blocked by fire, there are no lights, or the hallway is filling with smoke.
- ☐ Make sure everyone can unlock all locks and open all doors and windows quickly.
- ☐ Have a safe way to escape from a second-story window.
- ☐ Go to our Safe Meeting Place to be sure everyone is safe and to never go back inside for anything.

- ☐ Call the fire department from a neighbor's telephone after we are all out.
